**MESSAGE**

It gives me great pleasure to learn that International Organization for Educational Development has completed six years of its glorious existence and on this occasion the organization is celebrating its 6<sup>th</sup> anniversary. My congratulations to the entire family of the organization on this occasion.

Though only six years into its journey, the IOED has scripted envious success and bagged the United Nation's Special Consultative Status. Hope the organization continues its impressive role in the coming days and scales new height in its journey towards excellence.

My best wishes for all success of the organization and the souvenir planned on the occasion.
