## MESSAGE

I am pleased to know that the International Organization for Educational Development - IOED is celebrating its 6th anniversary.

It is learnt that the aim of IOED is to make skilled empowered, prosperous, environment freindly and crime-free states through various Employability Enhancement and Enterpreneurship Development Programmes. I am also happy to know that the United Nations has granted UN's special consultative status to the IOED this year. It is indeed a moment of pride for all of us.

I convey my best wishes on the occasion of 6th anniversary celebration of IOED.

(Acharya Devvrat)
